FORWARDING OF APPLICATIONS FOR DEPUTATION IN RESPECT OF THE
OFFICERS OF THE TECHNICAL CADRES IN AFHQ/ISOs

It has been observed that applications for deputation in respect of the officers/staff of AFHQ/ISOs are forwarded by user Organizations but they are not permitted either to appear in the personal talk/interview in the process of their selection and/or are not relieved to take up appointment on deputation.

2. The UPSC has observed that the matter needs to be thoroughly looked into by the Dept and necessary corrective action taken so that such lapses do not recur in future.

3. The user organizations are accordingly requested to examine applications for deputation in terms of eligibility etc and forward the application only if the officer can be spared unconditionally in the event of his/her selection which should be specifically indicated. Concerned Admin Sections are also requested to keep this in mind prior to forwarding the applications to 'P' Division for Cadre Clearance.

4. Only the application received through proper channel with the aforesaid recommendation will be processed for Cadre Clearance.
